

SSE Riga Alumni Scholarship

SSE Riga Alumni Scholarship is an initiative by the Alumni community who are willing to support talented and motivated young people from the Baltics by covering a tuition fee for one academic year of studies.

To encourage academically gifted and motivated candidates to apply to SSE Riga, this scholarship is available to newly admitted students of SSE Riga during their first year of studies. The scholarship covers the first year's tuition fee.

To apply, a candidate should:

- Be officially admitted to the SSE Riga BSc programme from August 2009
- Submit the following documentation:
 - A scholarship application form;
 - An official statement on the student's family's income status (confidential information only used by the Scholarship Award Committee)
 - CV
 - A written statement describing the academic objectives and explanations about special circumstances and financial constraints

The scholarship application documents should be submitted to Diana Pauna, SSE Riga Pro-rector by August 31, 2009.

The assessment criteria to qualify for the scholarship are:

- Coming from a low-income family;
- Special circumstances in the family and the dependency level (parents divorced or separated or a single-parent family);
- Academic potential based on the admissions results
- Academic motivation to pursue undergraduate studies at SSE Riga

The members of the Scholarship Award Committee (SAC) are: SSE Riga Rector, Pro-rector, Admissions Director, three Alumni Association representatives representing Estonia, Latvia and Lithuania.

The Scholarship Award will be announced on September 10, 2009, and it will be awarded through the Leif Mutén Society (<http://www.leifmutensociety.org/>) with the interest being covered by the scholarship awarder, i.e. SSE Riga Alumni Association.
